STARLIGHT

Discover the FS Starlight LT collection, an evolution of the successful FS Star, now in porcelain of 22.3x22.3. Created in collaboration with Francisco Segarra, it fuses vintage and craft style. With low relief and Layer Tech technology, its pieces in black, white, sage, and blue create whimsical sparkles, creating a unique atmosphere. Suitable for interior and exterior, flooring, and wall cladding, it is a perfect option to add character and personal style to spaces.
